Writing Exercise 3

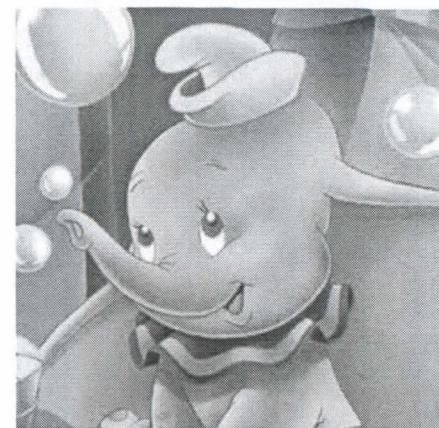

Dumbo has huge ears → so, certainly, → Dumbo is an African elephant.

↑
An elephant with huge ears
is an African elephant.

↺
Unless his ears were so large
because of a genetic mutation

↑
Of the two types of elephants,
African and Asian, an African
elephant's ears are three
times the size of an Asian
elephant's.

⑥ This is really good.
Can I use it?
