

# The Argument machine in our minds

A student seated  
in the student  
section has red  
hair at the  
Temple vs. ND  
football kickoff  
game.

So, most  
certainty.

**That student is  
a freshman  
from Carroll  
Hall.**

As tradition has it,  
all freshman at  
Carroll Hall get  
their hair dyed red  
for the opening  
game.

Traditions in ND  
Halls are really  
strong and highly  
promoted.

Unless that  
student is from  
another dorm  
and has natural  
red hair, or an  
upperclassman  
from the same  
hall.

### Writing Exercise No. 3

#### Data

A student seated in the student sections has red hair at the Temple vs. ND football opening game.

#### Warrant

As tradition has it, all freshmen from Carroll Hall get their hair dyed red for the opening game.

#### Backing

Traditions at ND Halls are really strong, highly promoted, and followed.

#### Qualifier

So, most certainly.

#### Rebuttal

Unless that student is from another hall, and/or has natural red hair, and/or is an upperclassman from the same hall.

#### Claim

The student is a freshman from Carroll Hall.
