## A Sample Toulmin Argument: "He was wearing a Notre Dame hoodie"

#### Data

A young guy at the airport is wearing a Notre Dame hoodie.

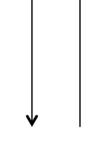

## Warrant

As tradition has it, most of ND students wear ND clothes when they travel.

# Backing

ND students follow traditions because they love their school and being part of the community.

# Qualifier So, most certainly ↑

## Rebuttal

Unless the guy just happens to be a big fan of ND and not an actual student.

### Claim

The young guy is a student from ND.
